February 2014, Vol. 2, Issue 14

President's Message:

There has not been much flying with 20" of snow at times. Even less flying when it turned into 6" of slush. So fight the cabin fever and head to our February meeting. As usual we'll meet at the KBDN Flight services building at 6pm for tal tales of flying, enjoy our infamous potluck at 6:30pm and have a short formal meeting at 7pm. In addition Keith Muinch has a weather presentation for us to add to the excitement.

The current weather forecast for our flyout is for Mostly Sunny and a high of 41F. If that holds we should be able to get a fly-out this month. Maybe Burns, Chiloquin or ??? Come to our meeting and help us decide.

Web doings:

Dues are due! Both for OPA and for CO-OPA. CO-OPA dues are \$10/yr, and you can pay them to Gary Miller <gem@rellim.com>.

OPA dues are \$25/yr, and you can pay them online on their web site:

www.oregonpilot.org

The OPA and CO-OPA are your best bargain in aviation. You membership helps fund local and statewide meetings as well as the many legislative and community outreach prorgams to help protect GA flying as we know it.

If anyone has any cool links to add to the CO-OPA web page let me know.

Check out current and past CO-OPA newsletters, view our membership list and view hot aviation links on our website at:

January Fly-Out:

In a fantastic break in the weather, CO-OPA was able to take two airplanes over to Grant County Airport (GCD), next to the cities of John Day and Canyon City.

Ken Muinch brought along Paul Zamora as passenger. Gary Miller had Don Wilfong and Maxwell keeping an eye on his piloting.

A new touch is that I filmed the outbound journey on my new GoPro Hero3. Now I just need to figure out a way to condense all that raw video into something that someone may actually watch. Stay tuned as I fumble around with it.

GCD has been a favorite of ours for many years. It has several good brunch locations and this time we returned to The Outpost which is downtown on John Day Highway. Good food, good service, and a nice ambience.

We explored the city area by car, lamenting that all the museums are closed on weekends. All and all another enjoyable flyout.

Thanks to Pal Zamora for the fly-out photos.
